That this petition would be granted.</p>

Healthcare

For Angela who suffers from Leishmaniasis in El Jobo, that the medicine Corner of Love provided will heal her and she will be able to walk and work again.
For Freddy and the many people who had dental extractions or surgery, that they would heal quickly and completely from the procedures.

Education

For Janira, Keyli, and Heysel who live in rural villages and desire to attend school, that the items provided to them by Corner of Love will help them enroll and find the determination needed to stay in primary school despite overwhelming obstacles.

For the Colorado Chapter as they fundraise and prepare for their trip to serve in Nicaragua in late May. May their efforts be blessed, may their team members remain healthy and focus, and may they make a huge impact for God while serving in North Nicaragua.

For the provision of funds needed to roof our Clinic and School before the rainy season begins in June. \$48,000 is still needed for Budget 1 of the three building Plaza.
