

# HOTEL ROOM ASSIGNMENTS

**Instructions:**

Assign team members 2, 3, or 4 individuals per room using the following guidelines:

1. Put all family members in one hotel room (up to four)
2. Assign doctors, dentists, and surgeons a private room or- two to a room
3. Please communicate any special circumstances that warrant private rooms or less guests per room
4. For teen room assignments, assign two per double bed = four to a room
5. Couples (with no children) may be assigned to their own room or share with another couple
6. Keep in mind that the mission pays for these rooms and try to keep the room count to a minimum
7. If an individual would prefer a private room they may request one through Corner of Love and pay the hotel directly
8. Corner of Love uses these three hotels: Barceló Managua, Hilton Princess, and Camino Real
9. Trips with multiple weeks (i.e. Deeds of Joy Week #1 and Week #2) stay at different hotels
