**Who are we?** Corner of Love is a Christian organization that serves impoverished people in North Nicaragua. We lead medical-dental teams and missions to San Ramón and villages that surround it. In this remote area, 1 in 53 households has potable water and less than 20% of children attend school for lack of basic needs like clothing and shoes, as well as nominal tuition fees. Corner of Love provides services and goods to any deserving patient or person in need regardless of their political view or religious belief through many native-led programs. Thank you for donating to our auction. Your generous support helps Corner of Love carry out this work. We couldn't do it without your support! Go to our website, [www.corneroflove.org](http://www.corneroflove.org) to find out more. We'd love to have you come on a trip or help us collect supplies!
