

Current Fundraising Projects

Supporters and team members often pick a specific project to fundraise for, above and beyond their own mission trip cost. **We recommend creating a Mighty Cause campaign (www.mightycause.com) or your own flyer instructing people to give via methods listed below.** Set your goal at an amount you're comfortable with and feel free to ask us for accompanying photos to use on your page or flyer. At present we encourage fundraising for these areas (see below).

MEDICINE & SUPPLIES FOR DISTRIBUTION TO REFUGEES

Costa Rica - Relief Center

Northern border location, funds help purchase prescription medicine and items like new shoes and emergency food for distribution. Need: Ongoing, typical quarterly need: \$75,000 USD.

CONSTRUCTION OF NEW MEDICAL-DENTAL CLINIC

Costa Rica – Relief Center

In La Cruz (Guanacaste), adjacent to Corner of Love's Relief Center, a new medical and dental clinic is currently under construction. Project budget: \$264,000 USD.

PURCHASE BUS TO TRANSPORT REFUGEES

Support is urgently needed to help purchase a bus to transport displaced families to and from Corner of Love's services. Currently Corner of Love charters buses that seat 60 people. Having our own bus would save our organization a lot of money. Cost: \$80,000 USD.

ONGOING SUPPORT FOR NICARAGUA WORKERS

In Matagalpa, Nicaragua Corner of Love still supports a crew that aids the community as they are able despite the extremely dangerous situation there. Your help to continue providing for our Nicaragua operations is greatly appreciated. Ongoing.
