

## Current Fundraising Projects

Many team members pick a specific project to fundraise for above and beyond their own trip cost. At present we encourage fundraising for:

### **Peñas Blancas, Costa Rica - Relief Center for Nicaraguan Refugees**

Northern border location, funds help purchase medicine and items for distribution.

### **San José, Costa Rica - Creation of Relief Center for Nicaraguan Refugees**

Urban location in Costa Rica's capital city of San José. Donations towards this project help fund the build-out and set-up of the new center. Urgent support needed to assist large population of Nicaraguans who are currently sleeping in parks and on city streets without food or money to survive.

### **Matagalpa, Nicaragua - ongoing support for COL's work headquartered in San Ramon**

Milk Distribution Program, Clean Water Access at Plaza de Bondad, Children's Activities/Sports Field, Mobilization of Medicine throughout Nicaragua
